Kingman Area Regional Transit (KART) Conducting Survey

KINGMAN, Ariz. – Kingman Area Regional Transit (KART) would like the community to take part in an online public outreach survey: www.surveymonkey.com/r/KART2. People have until August 20, 2021, to complete the survey, and enter for a chance to win a \$25 gift card!

“To plan for the region’s future, we are conducting a short survey to understand Kingman’s transit needs. This information will help us develop a strategy to plan for any transit improvements,” said Kingman Public Transit Superintendent Sheri Furr.

Kingman Area Regional Transit (KART) initiated the short- and long- range transit plan to identify what is working with the KART system today, and to create a blueprint for addressing the region’s unmet transportation needs of today and tomorrow. Your input will help us better understand the needs of the community and to develop a plan for the future of Kingman Area Regional Transit.

About [Kingman](#) –

Founded in 1882 and incorporated in 1952, Kingman is the county seat of Mohave County located in northwest Arizona along Interstate 40, U.S. 93, and the historically famous Route 66. The city’s population is 28,068, and approximately 60,000 including neighboring communities. Kingman is a general law city that operates under a council/city manager form of government with a mayor and six councilmembers elected at large. City government provides a wide range of municipal services that include administration, development services, engineering, public works, parks and recreation, water, sewer and sanitation services, and fire and police.
